We request a donation of \$50 retail value of Electric R/C merchandise that goes into our pilot only raffle. During the event we draw pilot numbers at random. The pilot comes up a draws a numbered chip at random, the pilot then receives a prize with that number. We separate the prizes equally into a Fri, Sat & Sun groupings to give everyone a chance to win something.

We also offer Vendors demo flight times during the lunch hour at no additional cost on a first come first serve basis. If you would like demo some of your product, times are available in 15 min increments.
